WILDLIFE FOR TOMORROW CHARITY GALA

Every day, our dedicated team at Currumbin Wildlife Hospital provides critical care to injured, sick and orphaned native wildlife - rehabilitating and releasing them back into their natural environment.

With the establishment of the new Currumbin Wildlife Institute (currently under construction), we are expanding our impact beyond treatment to prevention - advancing vital research and education to protect threatened species before they require care. This is transformative, future-focused work, made possible through the support of our community.

We invite you to be part of something truly meaningful - the third annual Wildlife for Tomorrow Charity Gala, to be held at the prestigious RACV Royal Pines Resort on the Gold Coast. This special evening will bring together more than 500 passionate supporters committed to safeguarding Australia's unique wildlife.

From the animals treated within our Wildlife Hospital to the innovative research protecting species in the wild, every contribution makes a tangible and lasting difference.
